

REMARKS

This is intended as a full and complete response to the Office Action dated June 26, 2007, having a shortened statutory period for response set to expire on September 26, 2007. Please reconsider the claims pending in the application for reasons discussed below.

Claims 11-15, 17 and 20-27 are pending in the application. Claims 11, 13, 15, 17 and 20-27 remain pending following entry of this response. Claims 11, 13, 15 and 20 have been amended. Claims 12 and 14 have been cancelled. Applicant submits that the amendments do not introduce new matter.

Allowable Subject Matter

Claims 12, 14-15 and 17 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Independent claim 11 has been amended to include the allowable subject matter of claim 12 as suggested by Examiner. Accordingly, Applicant submits claim 11 and the claims that depend therefrom are believed to be allowable and withdrawal of the objection is respectfully requested.

Independent claim 13 has been amended to include the allowable subject matter of claim 14 as suggested by Examiner. Accordingly, Applicant submits claim 13 and the claims that depend therefrom are believed to be allowable and withdrawal of the objection is respectfully requested.

Additionally, independent claim 20 has been amended with the allowable subject matter of claim 12. Accordingly, Applicant submits claim 20 and the claims that depend therefrom are believed to be allowable and withdrawal of the objection is respectfully requested.

Claim Rejections - 35 U.S.C. § 102

Claims 11, 13, 24-26 are rejected under 35 U.S.C. § 102(e) as being anticipated by *Woo et al.* (U.S. Publication 2003/0028711, hereinafter, "*Woo*").

Claims 20-23 and 27 are rejected under 35 U.S.C. § 102(e) as being anticipated by *Shi et al.* (U.S. Publication 2005/0002253, hereinafter, "*Shi*").

Independent claims 11, 13 and 20 have been amended to recite allowable subject matter as suggested by the Examiner. Therefore, these rejections are believed to be moot.

Therefore, the claims are believed to be allowable, and allowance of the claims is respectfully requested.

Conclusion

Having addressed all issues set out in the office action, Applicant respectfully submits that the claims are in condition for allowance and respectfully requests that the claims be allowed.

Respectfully submitted, and
S-signed pursuant to 37 CFR 1.4,
